The News Which We Hear from the Indian Country.

**Ambitious Reporters Carelessly** Handle the Truth.

As a Result It is Very Difficult for the General Public to Learn the Exact State | Pacific, in compliance with an order of Afficirs - Interview With Colonel Heyl, Who Has Just Returned from the

TOO MUCH "FAKE" NEWS, The Indian Situation Was Never So Grave

as Reported CHICAGO, Dec. 5.—Col. Heyl, in-spector general, division of the Missouri, returned Wednesday morning from a visit to the scene of the Indian

SITTING BULL

troubles in the northwest. In an interview he said:
"My opinion is that there is no imminent danger of any serious trouble. The troops are concentrated and seem

have the situation perfectly in

"As a matter of fact has the situation ever been as grave as has been reported in the newspapers?"

"Nothing like it," he replied emphatically. "A great part of the scare has been totally uncalled for. Why, a number of newspapers got to printing a number of newspapers got to printing a number of sensational and grossly exaggerated stories about the Indians, and many settlers in Dakota and Nebraska First and Seventh regiments of infantry to proceed at once to the scene of the threatened outbreak. The First and Seventh regiments will proper me vanie stricken. They sold their became panic stricken. They sold their property for almost anything they could get, abandoned their homes and when the fact is that they were in no

ominous?"
The colonel emiled. "I'll tell you about the alarming retreat to the Bad Lands," he said. "In the Bad Lands there are many fertile snots on which the Indians live. When the order went out calling the tribes into the agency these Indians had to abanden their In their absence some bands of maranders have been committing petty depredations, such as stealing chickens and household utensis. This came to the knowledge of the Indians at the agency, and numbers of them are slipping away, whenever they can get an opportunity, for the purpose of going back to protect their chattels." Nothing in it more alarming than a

quiet flank movement to protect some hen roosts, then?

That is about it," the colonel re-"I reached the Pine Ridge on the 27th. I found that the dance had ceased three days before I got there. And I may add that it was not resumed when I The Indians were quiet and peacefully disposed. Some few of the Ogallala Sioux, particularly the young bucks of that tribe, were anxious for trouble, but these were pretty much controlled by the older Indians. The principal cause of the Indian trouble is lack of proper provisions in the way of rations, princi-pally meat rations. The latter has been reduced 1,000,000 pounds for the Pine Ridge reservation alone, and the authorities there have a practice of issuing a steer at the weight at which it was re-ceived. For instance, the agency might get a steer in the fall that would no

inclined to accept any proposition made to filem by the military authorities of a peaceful nature, but when I left there was a big snow storm and blizzard coming, which I think will cool the ardor of the United States

the young tacks.

I do not anticipate a winter campaign in the Indian country, in that sense of the word, but the troops will be kept there as against any trouble that might happen this winter, or any attempt to go on the warpath in the spring. The Indians are not properly fed, and there will be the probability of trouble until they are. In the spring they may make a break—that is, the young bucks—but they can be controlled. Troops will be there to attend to them if they make trouble.

increase the meat rations among the Inclians. Several bands came in while I was there. When I left, Young-Mannen." I was there. When I left, Young-Man-Afraid of-His-Horses was coming in with his band, currying a yellow flag, which is a token of peace."

if they make trouble.

deavor to start in two or three days.

has decided to mount two regiments of infantry now at Pine Ridge agency. Orders to this effect have been promulgated. The two regiments are the First, from California, and the Seventh, from

souri of not to exceed two troops of indians for each of the cavalry regiments serving therein. Also the enlistment of two companies for each of the infantry regiments serving in the vicinity of the Sioux and Cheyenne reservations. The whole not to exceed twenty troops and companies of sixty enlisted men each-in all 1,200 men.

PREPARED FOR WINTER SERVICE Troops from the Division of the Pacific Ordered to Omaha.

SAN FRANCISCO, Dec. 5,-Brig. Gen. Gibbon, commanding the division of the

from Maj. Gen. Schofield at Washington, has directed Col. William I. Shafter, commanding the First infantry regiment to proceed to Omaha at once. Col. Shafter has been ordered to have his regiment fully equipped for the field, including tents for winter service. The colone is directed to communicate with Gen. Miles en route so that further or-ders may be received from Gen. Miles by the time the regiment reaches Cheyeine. The quartermaster provided eleven tourist cars and one Pullman to convey the troops. The train left early Thursday morning.

An Opinion from Good Authority. Capt. E. H. Huggins, of the Second cavalry, aide-de-camp to Gen. Miles, and an excellent authority on wastern Indian matters, is in the city from

Speaking of the situation Wednesday he said: "I have no doubt there will be fighting sooner or later with the Sioux at Standing Rock and Pine Ridge I know the more prominent leaders of the Indians at these agencies intended to start out next spring and raid cattle ranches, but some of the young men on the reservation favor fighting now. The trouble must come eventually in my judgement.

The World Soon to Be Startled by New Discoveries.

Said to Involve the Cure and Prevention lors. Ineculation With a New and Simple outfit

LONDON, Dec. 5.—Sir Joseph Lister, in a speech at King's college, on his return from Berlin, announced that within a month the world would be startled in a month the world would be startled school for feeble-minded youth. The cost by two new discoveries. He said that of the institution for the past year was Dr. Koch's transcendingly important \$78,238. consumption cure hinted at and in-volved the cure and prevention of two of the most terrible contagious diseases

Sir Joseph Lisier had witnessed experiments on guinea pigs in which they were inoculated with a new, simple chemical substance, which any one would be able to prepare and were totally unaffected when germs of these diseases were injected. Dr. Koch had practically concluded this work of discovery, but desired to make further tests. Therefore he desired to keep his latest discovery secret for the present. Sir Joseph Lister said he was con-vinced that this discovery was the most

important in the history of medicine since that of Vaccine. Dr. Dixon Hauls In His Horns. Dr. Dixon, of Philadelphia, after making an examination of Dr. Koch's consumption core, has relinquished his

SMALLPOX IN OHIO.

claim to priority of discovery.

cock County, from Chicago. FINDLAY, O., Dec. 5 .- Smallpox has eight miles west of this city. The first case was that of Mrs. Joshua Simon, who, on returning from visiting friends in Chicago, was attacked by the dreaded disease. Her children, who were attending the public school, have been extending the public school, have been exposed, and fears are entertained that smallpox will spread throughout the town, which contains about 2,000 inhabitants. The premises of Mrs. Simon are quarantined, and every effort will be taken to prevent the spread of the malady. There is much excitement and apprehension in the village.

The suit of Jacob Whetstine, of Martinsville, Ind., against the Big Four railroad for \$25,000 was compromised, he receiving \$2,600 and a lifetime job.

W. H. Smith, who claims to have killed a man named Robert Sanders, at Point Lick, Ky., twelve years ago, surrendered himself in Cincinnati Wednesday.

America of an amendment to the Namerica of an amendment to the H. Baxter, surgeon general of the army, who was stricken with paralysis last Monday, died at 2 o'clock Thursday morning. He never regained conscious-ne-s after the attack save for an instant on Tuesday, when there was a slight sign of returning consciousness.

Wreck-Two Killed and Six Injured. St. Louis, Dec. 5.-The Chicago and Alton passenger train, bound for Kansa City, was wreaked at Jacksonville Thursday morning at 2 o'clock. Frederick Smith, merchant, of Pekin, Ill., and James Riffee, of Fountain Place. Ill., were instantly killed. Six were more or less injured.

Misner's Probable Successor New York, Dec. 5.—A special to The Press from Washington says that the president and Secretary Blaine are seriously considering the appointment of Congressman Morrow, of California, as minister to Guatemala, in place of Irish party. Lansing B. Mizner, recalled.

Jack the Ripper's Work. Berne, Dec. 5 .- The body of a young peasant girl, so horribly mutilated as to suggest the handiwork of a Jack the

Ripper, has been found in a forest in the vicinity of this city.

Election Bill Denounced by the Farmers' Alliance.

Said to Be Partisan in Spirit and Application.

Its Enforcement Would Result in tional Estrangement" and "Be Fatal to the Autonomy of the States and Cherished Liberties of the Citizous."-Anti-

Lottery Resolution Passed. Ocala, Fla., Dec. 5.—At the after-noon session of the Farmers Alliance Wednesday, Delegate W. S. McAllister, of Mississippi, introduced the following preumble and resolutions, which were

adopted: WHEREAS, The president of the United States, in his annual message to congress, recommends and urges the immediate passage of the measure known as the Lodge

election bill; and, WHEREAS Said bill involves a radical revolution in the election machinery of the Union, both state and National, and its passage will be fatal to the antonomy of the states and cherished liberties of the

itizens; and, WHEREAS, Said bill is partisan in spirit, and will be partisan in its application, thus revitalizing the gory ghost of sectional estrangement; and

WHEREAS, In the holy war which we have declared against sectionalism, the firesides of the farmers of the north, east, south and west are the citadels around which the heaviest battles are being fought; and to the end that victory may crown our crusade, and fraternity and

unity reign; therefore, be it RESOLVED, by the National Farmers' Alliance and Industrial Union of America, in National council assembled. That we do most solemnly protest against the passage of said Lodge election bill, and most carneally petition our senators to employ all fair and legal means to defeat this unpatriotic measure, which can result in nothing but evil to one common and be-

loved country.

RESOLVED further, That a copy of these preambles and resolutions be forwarded to

each senator in congress.

Aside from the election bill resolution the most important action of the Alliance was the passage of resolutions denomicing the Louisiana lottery as a blow at American civilization and morals, and providing for the introduc-tion in congress of a resolution calling for the submission to the people of America of an amendment to the Na-
